

MAGNET DIMENSIONS (Standard)

Submission dimensions: 3.5" x 5" (These dimensions ensure enough bleed space on every edge.)

Final dimensions: 3.25" x 4.75" with rounded corners

— BLEED ZONE

The red box indicates approximately where the cuts for full bleed will be, including the rounded corners. The background should extend past the red guide. The red guide is 0.125" from the edge.

— SAFE ZONE

All essential artwork and text should be within the blue box to ensure it is not lost after cutting. The safe zone is 0.25" from the edge.
